

depart for the place of work, or 3 calendar days prior to the first date the employer requires the services of the H-2A workers, whichever occurs first; and

(4) State that the CO will make a determination either to grant or deny the *Application for Temporary Employment Certification* no later than 30 calendar days before the date of need, except as provided for under § 655.144 for modified *Applications for Temporary Employment Certification*.

§ 655.144 Electronic job registry.

(a) *Location of and placement in the electronic job registry.* Upon acceptance of the *Application for Temporary Employment Certification* under § 655.143, the CO will promptly place for public examination a copy of the job order on an electronic job registry maintained by the Department, including any required modifications approved by the CO, as specified in § 655.142. This procedure will be implemented once the Department initiates operation of the registry.

(b) *Length of posting on electronic job registry.* Unless otherwise provided, the Department will keep the job order posted on the Electronic Job Registry until the end of 50 percent of the contract period as set forth in § 655.135(d).

§ 655.145 Amendments to applications for temporary employment certification.

(a) *Increases in number of workers.* The *Application for Temporary Employment Certification* may be amended at any time before the CO's certification determination to increase the number of workers requested in the initial *Application for Temporary Employment Certification* by not more than 20 percent (50 percent for employers requesting less than 10 workers) without requiring an additional recruitment period for U.S. workers. Requests for increases above the percent prescribed, without additional recruitment, may be approved by the CO only when the employer demonstrates that the need for additional workers could not have been foreseen, and the crops or commodities will be in jeopardy prior to the expiration of an additional recruitment period. All requests for increasing the

number of workers must be made in writing.

(b) *Minor changes to the period of employment.* The *Application for Temporary Employment Certification* may be amended to make minor changes in the total period of employment. Changes will not be effective until submitted in writing and approved by the CO. In considering whether to approve the request, the CO will review the reason(s) for the request, determine whether the reason(s) are on the whole justified, and take into account the effect any change(s) would have on the adequacy of the underlying test of the domestic labor market for the job opportunity. An employer must demonstrate that the change to the period of employment could not have been foreseen, and the crops or commodities will be in jeopardy prior to the expiration of an additional recruitment period. If the request is for a delay in the start date and is made after workers have departed for the employer's place of work, the CO may only approve the change if the employer includes with the request a written assurance signed and dated by the employer that all workers who are already traveling to the job site will be provided housing and subsistence, without cost to the workers, until work commences. Upon acceptance of an amendment, the CO will submit to the SWA any necessary modification to the job order.

POST-ACCEPTANCE REQUIREMENTS

§ 655.150 Interstate clearance of job order.

(a) *SWA posts in interstate clearance system.* The SWA must promptly place the job order in interstate clearance to all States designated by the CO. At a minimum, the CO will instruct the SWA to transmit a copy of its active job order to all States listed in the job order as anticipated worksites covering the area of intended employment.

(b) *Duration of posting.* Each of the SWAs to which the job order was transmitted must keep the job order on its active file until 50 percent of the contract term has elapsed, and must refer each qualified U.S. worker who applies (or on whose behalf an application is made) for the job opportunity.
